Studio Trucks Rob has been building studio trucks; rooms on the back of trucks, these are great extra spaces and you don't need council approval, just drive and park out the back plug in an extension cord and wallah you have a beautiful room. Great spaces for teenage pads, studios, office space, granny flat, guest rooms etc We have two, one is my daughters room and the other is a spare bedroom. Studio trucks are for sale or rent just give us a call on 03 54285 332
